The parking instructions are as follows:

"On the "service road" immediately outside the North entrance of the church: Parking available for up to five cars (if tidily placed), two hours max. Only the side nearest the church is available. Tends to be partially occupied by Untidy parkers.

Oak End: No restrictions on the North side of the road, but it is narrow and there are some house entrances to avoid.

Vicarage Close: No restrictions on the East-West section on Saturdays.

*Church Lane (that's the main road running down from Old Oak Close towards the church, then swinging around the East of the Church and disappearing off the bottom of the map - [see next page](#)): **No Parking. Full Stop.***

Chase Close and St. Peter's Avenue: No formal restrictions, but tend to be filled by the locals."

Toilet available at the church.

12.30-14.00 LUNCH

We are not making a group booking and are instead asking ringers to make their own arrangements. There are two pubs in Arlesey whose websites confirm that they serve lunch on a Saturday:
